

PIN THE STETHOSCOPE ON THE VET GAME

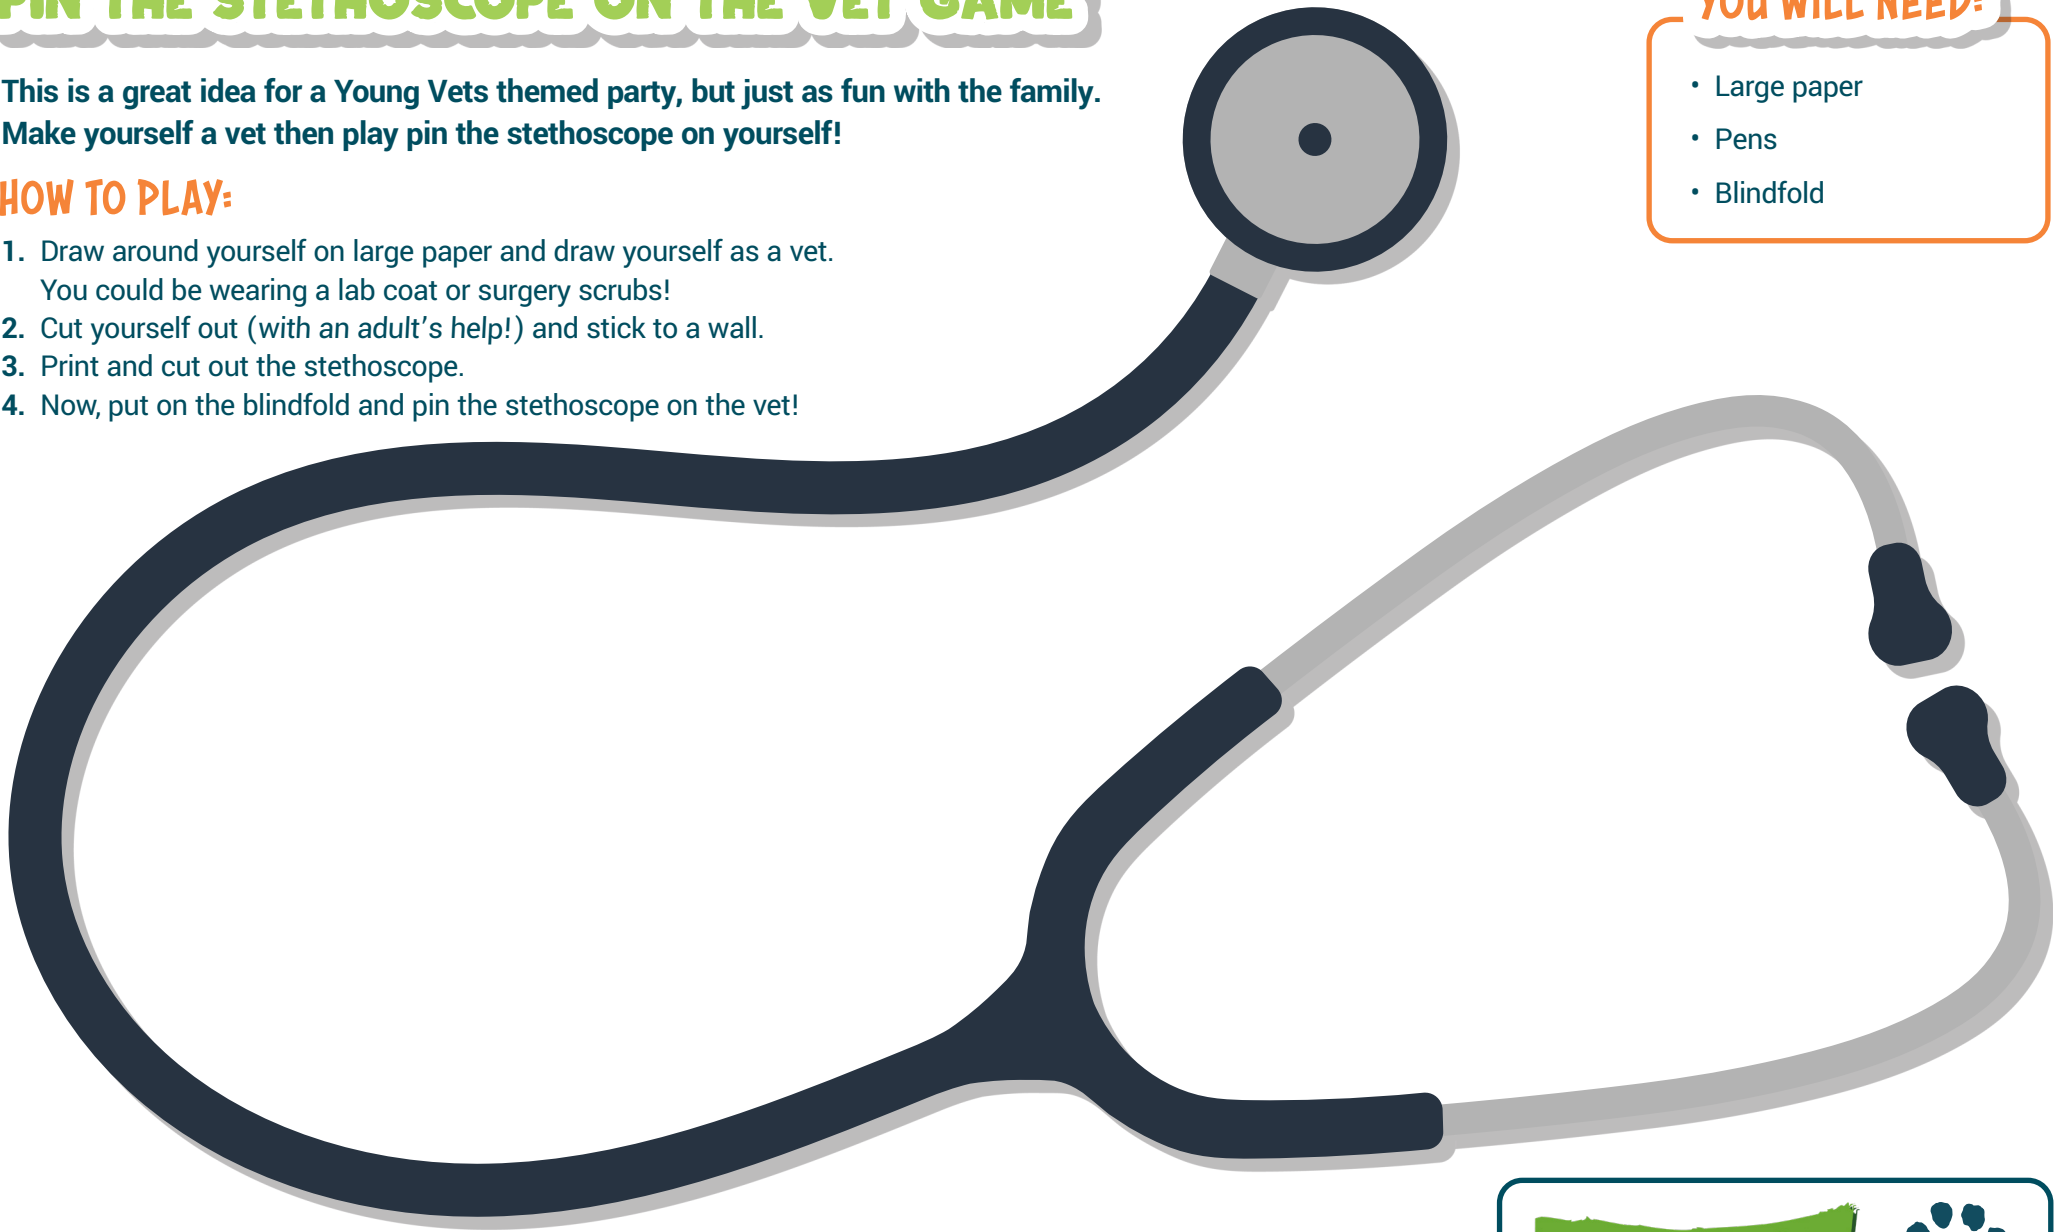

This is a great idea for a Young Vets themed party, but just as fun with the family. Make yourself a vet then play pin the stethoscope on yourself!

HOW TO PLAY:

1. Draw around yourself on large paper and draw yourself as a vet. You could be wearing a lab coat or surgery scrubs!
2. Cut yourself out (with an adult's help!) and stick to a wall.
3. Print and cut out the stethoscope.
4. Now, put on the blindfold and pin the stethoscope on the vet!

YOU WILL NEED:

- Large paper
- Pens
- Blindfold
